## PROFILE

My name is Alexandre, I'm 23, and I was born in Portugal. I'm a very active person, and never say no to a new challenge. I've developed important skills in all my previous works, starting with essential soft skill to hard skills.

I have experience in general everyday accounting, Microsoft tools, data science, big data, databases, customer relations and business analytics.

## SKILLS

Essential Microsoft tools

Intermediate Python

Intermediate SQL

Power BI

SPSS

Primavera accounting software

French | English | Portuguese
